- Biometric Screenings
- Health Risk Assessments
- Intervention and Engagement Programs
- Customizable Wellness Portal
- eConnect® Telehealth Platform
- Team and Individual Competitions
- Incentive Management
- Financial and Behavioral Health Consultation
- Reasonable Alternative Standard (RAS) Administration

### CORE

The Core model is a structured, turnkey wellness solution for clients of any size. All programs include unlimited health coaching, access to a resource-heavy wellness portal, competitions and health promotions.

### ENHANCED

The Enhanced option is an activity-based model that includes the features of the Core model, plus biometric screenings, risk evaluation, targeted outreach and incentive administration.

### PREMIER

The Premier model is an outcomes-based program that was created with HIPAA-compliant clinical metrics and health goals that motivate all participants to strive for their optimal level of health and well-being.

## PROVEN RESULTS

Marquee Health's Premier model delivers meaningful results for employers and individuals:

- 6.1% Average Annual Medical Cost Trend Reduction
- 7.7% Reduction in Per Member Per Month (PMPM) Cost
- Participants Returned to Work 11 Days Sooner from a Workers Compensation Incident; 17 Days Sooner from STD
